## ASSIGNMENT OF APPLICATION - FOREIGN INVENTOR(S)

Docket Number

3Com-92 (2764WSDUSP)

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I (if only one name is listed below) or we (if plural names are listed below), the undersigned hereby sell, assign and transfer to:

3Com Corporation, a corporation of Delaware having a place of business at 5400 Bayfront Plaza,  
P.O. Box 58145, Santa Clara, California, 95052-8145

its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States letters Patent,

August 8, 2001

- ☒ for which an application for a United States Patent was filed on  
Application Number 09 / 924,955  
☐ for which an application for a United States Patent was executed herewith, and

is entitled: DIAGNOSIS OF LINK FAILURES IN A NETWORK

and in and to said application and all divisional, continuing, continuation-in-part, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements;

Agree that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, continuation-in-part, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignment, powers of attorney and other papers; communicate to said Assignee, its successors, and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representative; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

The undersigned hereby grant(s) the law firm of Michaelson & Wallace the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the U.S. Patent and Trademark Office for recordation of this document.
